The 10th National Conference on Computer Vision, Pattern Recognition, Image Processing, and Graphics (NCVPRIPG 2025)
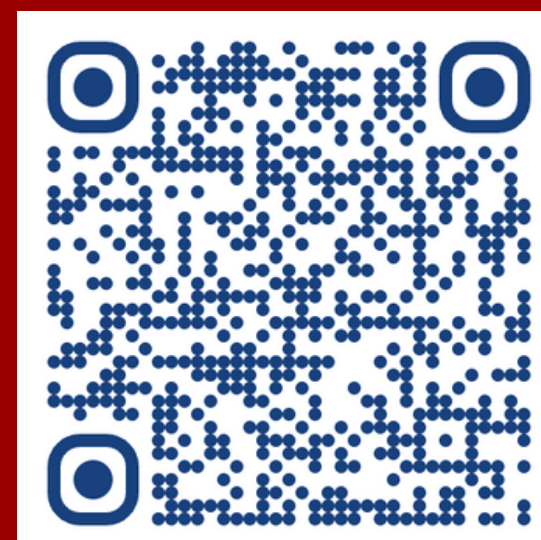

CALL FOR PAPERS

1st Workshop on AI-Driven Biometrics for Forensic Intelligence: Trends, Challenges, and Applications (AIBFI-2025)

TOPICS OF INTEREST INCLUDE (BUT ARE NOT LIMITED TO):

- Contactless biometric systems for forensic and field use
- Multimodal biometrics (face, iris, palm, knuckle, gait, voice) for forensic analytics
- Deep learning models for biometric recognition and anti-spoofing
- Biometrics from degraded, partial, or low-quality samples
- Forensic image and video enhancement for biometric identification
- Explainable and trustworthy AI in forensic biometrics
- Generative models and synthetic data in forensic biometrics
- Datasets and benchmarking for forensic biometrics
- Cross-domain biometric matching and recognition

Workshop Website

IMPORTANT DATE

10TH MAY, 2025	5TH JUNE, 2025	20TH JUNE, 2025	22ND JUNE, 2025	16TH-18TH JULY, 2025
Paper submission deadline	Acceptance notification	Camera-ready submission	Author registration deadline	Conference date

Submission Guidelines:

Authors should prepare the manuscript between 10-15 Pages including references

Authors must use the following templates for preparation of their manuscript:

Latex Template   **Word Template**

Selected papers accepted and presented in the workshop may be included in the conference proceedings to be published by Springer CCIS
